

# Mm is for mouse.

- Color the pieces and cut them out.
- Place the smaller ear circles on the larger ear circles.
- Place the ears on top of the letter as shown.
- Place the eyes near the middle of the letter as shown.
- Place the long rectangles as whiskers near the center of the letter as shown.
- Place the final circle on top of the whiskers as the nose.

Always supervise children as they work  
with scissors and adhesive products.
